

Tomicia RZ

Truss

Description

Tomicia RZ is an easy to grow, labour-friendly and extremely high yielding truss tomato. With average fruit weight of 130-140g, Tomicia is a premium offering which fills the gap between medium and large truss products. It has exceptional shelf life and a bright red colour. This variety offers excellent presentation with flat trusses and strong fragrant green parts. Tomicia is a favourable choice for growers since it has the ability to carry six fruits per truss in some climates.

Key features:

- Medium fruited truss tomato, afw 130-140g
- Excellent flavour potential and in some climates the ability to carry six fruit per truss
- Suitable for heated greenhouse crops
