- Exciting new Crunchy Cos variety for use in whole head and processing
- Best suited for harvest from spring to autumn in temperate areas, and in spring and autumn in warmer areas

### Grower Benefits

- Strong against forming large ribs
- Strong against twisting in cool conditions
- Glossy dark green colour

### Consumer Attributes

- Sweet and crunchy leaves
- Excellent for use in salads that contain warm ingredients and even in a stirfry
- Perfect for lettuce wraps and san choi bau (Asian lettuce cups)

## Sharing a healthy future

Rijk Zwaan's descriptions, illustrations, growing advices and any other information in whatever form for example on expiry, sowing, planting and harvesting dates are based as precisely as possible on experiences in trials and in practice. However, Rijk Zwaan does not accept in any case liability for damages resulting from the use of such descriptions, illustrations, growing advices and information. The buyer/user itself is responsible for proper storage of the seeds and will be deemed to determine whether the products and growing advices are suitable to be used for the intended cultivations and under the local conditions. Inclusion of a variety in this edition does not automatically imply that such a variety is available for purposes of exploitation; it might be available for testing only. For more information, please contact Rijk Zwaan ([www.rijkszwaan.com](http://www.rijkszwaan.com)). The pictures in this edition show the types to which the varieties as mentioned belong and not all varieties as such. These pictures do not constitute any warranty, express or implied, of crop performance.
